

Dear Respondent,

The primary objective of this study is to assess the intention of MonCash users to adopt NatCash as their preferred service. We would like to emphasize that the quality of the results from this survey will largely depend on the quality of your responses. Therefore, we kindly ask you to take the time to read each question carefully and provide thoughtful and objective answers. Please note that your participation is entirely voluntary, and the author of this study guarantees your anonymity. We sincerely thank you for your valuable contribution.
